## NOTE

At least one author of each accepted paper must register using the **author registration** rate to ensure that the paper is included in the IEEE CS proceedings. However, the **attendee registration** rate does not need to satisfy this requirement. The author registration must be received by the **special author registration** deadline of **August 15, 2008**! If the registration fee is not received by this date, the paper will not be included in the IEEE CS proceedings.

Due to the fact that the paper acceptance notification for our 3 symposiums/workshops (TrustCom-08, IWCSEI-08, IWCFTA-08) were sent out later than the main conference (ICYCS-08), the **early registration** deadline for the 3 symposium/workshop papers will be postponed to **August 8, 2008**, and the **special author registration** deadline will be postponed to **August 22, 2008** accordingly. If the registration fee is not received by this date, the paper will not be included in the IEEE CS proceedings.
